# SCHEDULE

Parks Canada have requested that the following questions be posed to open the question and answer period but please feel free to ask any questions you may have:

- What do you think the strengths of the proposal are?
- What challenges do you see with the proposal as presented?
- Are there things we haven't considered with the proposal that you would like to see included? Did we miss something?
- What do you see as the opportunities afforded from the proposal?
- Any other questions or concerns?
